

# Franklin County's Roadmap<sup>1</sup> AAA Region K

In 2006 adults  $\geq 65$  made up 10% of the county's population<sup>2</sup>

- By 2030 the population age 65 and older will increase 146% to 14,133 people. This group will make up 16% of the county's population.
- Compared to the state, older adults make up a larger portion of the population, are less educated, more live in rural areas (92%), there are more African Americans, and there is slightly more disability.
- The median income is lower for all age groups, and there are similar levels of poverty.
- There were more hospital admissions due to respiratory problems.

## Healthy Aging<sup>3</sup>

				COUNTY	STATE
